Hi David,

I am the US correspondent for Chemistry World, and I would like to see a transcript or hear an audio file of the EPA media conference call that took place on Saturday to address the Gold King Mine accident. Can you please let me know if that is available, and which EPA spokesperson is handling calls about this issue? I can be reached at this email address, or by phone at 240-505-1403.

Thanks in advance,

Rebecca
